From the boy described as 'making no use of what little ability he has,' to best-selling author, speaker and founder of Care for the Family, Rob Parsons has a lifetime's experience of overcoming obstacles.

He recalls the time when his father told him, 'People like us don't become lawyers,' and the teacher who said even his best wasn't good enough.

Yet with the help of the people who believed he could be more; he learnt how to grow through the challenges of life.

In An Evening with Rob Parsons, you're invited to pull up a chair and settle in for a poignant night of storytelling and timeless wisdom that will stay with you long after you head home.

These results clearly demonstrate that his promotion has not been justified. He is making no use of what little ability he has. A disgraceful report.
